

MICROSOFT ADVERTISING INSIGHTS

Summer travel trends

Accommodations, Cruise, and Transportation

April 2022

Key takeaways

Last year, searches for Accommodations peaked in July

Access new demand and increase sales with new lodging solutions: Hotel Price Ads and Property Promotion Ads

Cruise passenger volumes are forecasted to return to pre-pandemic levels by 2023

Take advantage of the increase in searches and clicks by implementing rich, eye-catching Cruise Ads

Queries containing “car rental” are up **21%** YoY; clicks are up **31%**

Use Ad Extensions to highlight your car rental offerings.

81% of American Adults plan to travel during summer 2022

Do you plan on traveling this summer? ¹

20% of survey respondents plan on traveling internationally this summer¹

58% of respondents are planning to take more trips this summer than in the summers prior to the pandemic²

16% are taking trips in the summer instead of throughout the year, and close to **10%** are travelling more in the summer because of concerns that COVID-19 will restrict travel²

Pro Tip: Prepare for increased demand by implementing Responsive Search Ads which will adapt your text ads to closely match what someone is searching for, increasing clicks +17% on average.*
